TO WHOM IT MAY CONCERN

I, Alessandro Toso, in quality of Export Manager for Serbia here at Flag Spa, Via Industriale dell'Isola 3, 24040 Chignolo d'Isola (BG), Italy, declare that the company Lever Engineering d.o.o., located in Ustanicka 64/XVII, 11000 Belgrade, Serbia, is certified for specification and application of the complete Soprema bitumen membranes range and Soprema liquid waterproofing range (Alsan range).

Lever applicators have been certified during a technical training to our main offices in Strasbourg, France.

Flag Spa is the Italian subsidiary of Soprema France and it has been acquired by Soprema in July 2007.

In faith,

Alessandro Toso
Export Manager
FLAG SPA
SOPREMA GROUP
